

EQUITAS MANAGEMENT PARTNERS

is pleased to announce the addition to its portfolio of

Naviera
Antártica

Naviera Antártica

Naviera Antártica SpA (“*Naviera Antártica*”) is a provider of services for the salmon farming industry in Chile. The country is the second largest producer of salmon worldwide. The company operates landing crafts that transport cold-storage tank-tainers from in-situ harvesting facilities to on-shore processing plants, among other domestic transportation services.

Equitas, through one of its funds, is the majority shareholder in *Naviera Antártica*, alongside seasoned operating partner from the salmon industry.

Equitas Management Partners S.A.

Equitas (www.equitas.cl) manages multiple funds targeting environmental services, natural resources- and technology-related industries. The firm focuses on innovative businesses with compelling technologies, rapid growth potential and regional or global aspirations.

The Chilean economic development agency CORFO (www.corfo.cl) is a sponsor of the Equitas fund that invested in *Naviera Antártica SpA*.
